

UNIFORM POLICY

At Chancellor, students are encouraged to take pride in themselves and in their school. Adherence to the school's dress standards promotes a feeling of pride in and ownership of our school. Compliance with this uniform policy is an important factor in ensuring student safety given the complexity of the Chancellor Education precinct with shared school facilities and greater than usual student movement across campuses.

Chancellor State College P&C Association endorses this uniform policy annually. Any changes to the policy will be ratified through a formal P&C process.
