

## Responsible Behaviour Plan 2007

Education Queensland is committed to provisions that ensure all young Queenslanders have a right to and receive a quality education.

As members of our school community we consider and respect the rights of others, appreciate individual differences and care for our school. In teaching and learning, we strive for 'the best we can be' and seek to learn and work together. The College Charter frames Chancellor's Code of Conduct which describes what we value and how we behave. Our community's safety and welfare is nurtured through behaviours that emphasise the 5 C's:

q Care

q Courtesy

q Cooperation

q Commitment

q Challenge These 5 C's are embraced by students, staff, corporate services and our community and are displayed in the aligned College Charter documents. At Chancellor, we believe that:

q Every child is unique and deserves the right to be treated with respect, understanding and courtesy.

q Children are more likely to choose appropriate forms of behaviour when exposed to:

A warm, caring, democratic class and school environment

Meaningful, relevant curricular and quality teaching.

q An important aspect of behaviour support is to teach self discipline, to promote cooperation, to foster responsible democratic citizenship and ensure behaviours are modelled productively by adults. To read the full Responsible Behaviour Management Plan 2007, please [click here](#).
