CARE COURTESY COOPERATION CHALLENGE COMMITMENT

Annual Parent Information Letter 2026

Dear Parents and Caregivers

There are many costs associated with providing quality educational opportunities, which all students deserve. While the State Government funds the cost of instruction, administration, and facilities for students enrolled in Queensland State Schools, parents are responsible for providing textbooks and other learning resources.

To assist families, **Chancellor State College offers a Student Resource Scheme (SRS)**, designed to provide a convenient, cost-effective alternative to purchasing individual resources. Through the SRS, the College purchases items in bulk to ensure excellent value for money and to keep costs low. The scheme covers textbooks, digital licenses, stationery, and consumable materials required across subjects.

The SRS operates under Department of Education (DoE) policy and is reviewed and endorsed annually by the College P&C Association. Funds collected are used exclusively for SRS resources and administration.

Participation in the SRS is strongly encouraged but remains optional.

Should a family choose not to participate in the SRS, the parent/caregiver is responsible for purchasing and providing those resources for their child whilst they are a student at Chancellor State College. If no form is received, it will be assumed that you have chosen **not** to participate, and you will be responsible for purchasing all items listed in the *Student Resource List* which can be found on our website. Participation continues each year unless a new form is submitted, and parents may opt in or out at any time by completing a new agreement.

In addition to the SRS, **User Pays Subject Fees** apply for subjects, activities, excursions, external courses, and consumables directly related to specific subjects or programs.

All full-time and part-time students from Years 7–12 (except some international students) are entitled to a **Textbook and Resource Allowance** to offset the cost of textbooks and educational resources. For families participating in the SRS, this allowance is automatically included in the SRS fee; parents who choose not to participate may have this allowance paid directly to them.

Flexible payment options are available. Families experiencing financial hardship are encouraged to contact the College Business Manager to discuss individual arrangements.

Students also have the opportunity to participate in optional curricular activities, including excursions, camps, and enhanced learning experiences that enrich their educational journey. The **2026 Excursion and Activity Calendar**, endorsed by the College P&C, outlines these opportunities and is available on our website.

We trust this information assists you in making an informed decision that best supports your family and your child's learning success. Thank you for your continued partnership and support in ensuring our students are well-resourced and ready to achieve *The Best We Can Be*.

Regards

Brad Roberts
Executive Principal

This will also take into account any pro rata of the Textbook and Resource Allowance (TRA) (see Additional Information regarding TRA eligibility) and any outstanding SRS debts (including any debts from damaged or non-returned items). Where the cost of outstanding debts is higher than the calculated refund, the parent is liable to pay this balance of funds.

Additional Information

Textbook and Resource Allowance (TRA)

- The Queensland Government provides financial assistance to parents of students in Years 7 to 12, to offset the costs of textbooks and other resources. Assistance is provided in the form of a TRA which is paid through the school. Refer to the department's website for current TRA rates <https://education.qld.gov.au/about-us/budgets-funding-grants/grants/parents-and-students/textbook-resource-allowance-allowance>.
- The TRA is used to offset the fees associated with participation in the SRS.
- Parents not participating in the SRS will receive the TRA as either a credit to the student's account or as a direct payment from the school.
- Parents not participating in the SRS should contact the school directly if they do not automatically receive the payment.
