

COLLEGE STUDENT DRESS CODE

Our College community believes that our uniform is important in that it encourages a sense of self-esteem, pride in our College and self-discipline in students. Our College uniform is designed to create a sense of unity and respect in our College and with unity comes strength and a real sense of purpose. The wearing of the College uniform also contributes to student safety because it ensures that outsiders to our College community are readily identifiable.

All students are expected to observe the details of the College Uniform Policy while on their way to, during and from College. If a situation occurs that a student does not have a uniform, or part thereof, on any school day, a note needs to be sent from a parent/guardian. The student is then able to acquire a Uniform Exemption Pass, or a loan uniform from our supply pool to be returned after laundering.

All hair ornamentations should be kept to a minimum and may include scrunchies, ribbons and elastic bands and these should be in College colours of navy, jade, white and gold. All students with long hair (below the collar) are required to tie hair back when directed by staff in practical areas such as Science, Food Technology and ITD whilst at the College due to health reasons.

Makeup must be of a natural appearance, students will be asked to remove makeup if their appearance does not reflect a natural look. Parents will be contacted and students may be removed from class until compliance is achieved.

If students do not adhere to false nails/ridge fillers reflecting a natural look, they will be required to cover them with medical grade adhesive tape.
