

Chancellor State College – 2027 Excursion and Activity Improvements

Dear Parents and Caregivers

Chancellor State College is pleased to provide families with the **2027 Approved Excursions and Activities Calendar**. The calendar outlines the excursions, incursions, camps, sporting programs and other learning opportunities currently planned for students throughout the year.

The purpose of this calendar is to give families greater visibility of upcoming activities, allowing more time to plan and budget for participation. Dates, venues and estimated costs have been included where available and are provided as a guide only. As arrangements are finalised, some details may change.

Understanding the Excursion and Activity Process

Excursion consent forms will be released through Consent Management. It is important that parents and carers respond to the consent request if you would like your child to participate in the excursion or activity.

Once consent is provided and you select 'Yes', the College will issue an invoice for the activity. Please note that payment must be made in full by the due date to secure your child's participation.

We understand that life can be busy. To support families, the College will continue to send reminders through QParents and SMS regarding upcoming consent and payment deadlines, providing timely prompts to assist with planning and participation.

Payment and Eligibility Requirements

Participation in any College-organised activity requires that all student accounts are up to date, and that regular payments are being maintained in accordance with any agreed plan.

- ✘ Optional extra-curricular activities must be paid in full by the due date.
- ✘ Instalments may be accepted; however, the total payment must be finalised by the payment deadline.
- ✘ If accounts are not up to date, participation in the activity cannot be guaranteed.
- ✘ Families requiring support are encouraged to contact the Business Manager before the due date to discuss payment arrangements or confirm account status.

We value the partnership we share with families and look forward to providing students with a wide range of engaging educational opportunities throughout 2027.

Regards

Brad Roberts
Executive Principal

2027 P&C Approved Excursions and Activities

This Excursion & Incursion Calendar provides families with an overview of the learning experiences planned for students throughout the year.

Students across all year levels have the opportunity to participate in optional curricular activities, including excursions, camps and enhanced learning experiences designed to enrich their educational journey.

Dates, venues and costs are included where available, with some details to be confirmed as arrangements are finalised. All excursions and incursions are subject to change due to venue availability, weather conditions or curriculum requirements.

All information is provided as a guide only and may be amended by the College to reflect operational, financial or departmental changes.
