Vocational Education and Training

Vocational Education and Training (VET) in Schools allows students to remain enrolled at school while completing vocational training delivered either by Chancellor State Colleges’ Registered Training Organisation (RTO 31830) OR by other learning providers, such as TAFE and other Registered Training Organisations (RTOs).

Sunshine Coast TAFE offers a variety of on and off campus training programs high school students can complete during their Senior Phase of Learning. Chancellor State College provides school-based programs that allow young people to earn credit towards vocational education and training (VET) qualifications. School students can choose to study a certificate course, which is based on one session per week while still attending school as a part of the requirements to gain a Queensland Certificate of Education (QCE).

VET in Schools offers many benefits for students including:
- Gain credit points towards the Queensland Certificate of Education
- Gain direct entry into TAFE when they finish Year 12
- Gain credit towards a Diploma course
- Receive career focused training while still in high school
- Build a good understanding of their chosen industry
Code of Practice

Delivery Framework
Chancellor State College is a Registered Training Organisation (RTO 31830) and discharges its responsibilities for compliance with the Standards for Registered Training Organisation (RTOs) 2015. This includes a commitment to recognise the training qualifications issued by other Registered Training Organisations. The College is registered to deliver a range of VET Programs under the direction of Queensland Curriculum and Assessment Authority (QCAA).

Our Legal Responsibility
Chancellor State College will meet all legislative requirements of State and Federal government, in particular Workplace Health and Safety, Workplace Relations and Vocational Placement standards.

Accepted Belief and Fairness
Chancellor State College provides an equitable vocational education and training system that offers responsive products and services to all students. The College is committed to providing equal opportunities in vocational education and training and welcomes all students. Students will be recruited in an ethical and responsible manner, consistent with the requirements of the National Training Package.

Appropriately qualified staff will assess the extent to which students achieve the stated competency standards and outcomes of the course, based on their qualifications and experience.

Disclaimer
“The College must have certain teachers and equipment to run this course. If the school loses access to these resources, the school will provide students with alternative opportunities to complete the course and the related qualifications. The school retains the right to cancel the vocational component of the course if it is unable to meet requirements.”

Management Focus
Chancellor State College has a commitment to providing a quality service and a focus on continuous improvement. We value student’s feedback, as well as staff and employers for incorporation into future programs.

Client Service
We have sound management practices to ensure effective student standards ensure timely issue of student assessment results and qualifications. These will be appropriate to the competencies achieved and issued in accordance with national guidelines. Our quality focus includes Recognition of Prior Learning Policy, a fair and equitable Refund Policy, a Complaint and Appeal Policy, an Access and Equity Policy and student welfare and guidance services. Where necessary, arrangements will be made for students who require literacy and/or numeracy support programs.

Student Feedback
Feedback is encouraged and in the first instance, students should discuss course content and assessment with their teacher. If students are not satisfied with the response, they are encouraged to make an appointment with the Academic Co-ordinator or Vocational Education Co-ordinator. At the completion of each course the teacher will seek students’ comments and feedback in relation to the course content/delivery and assessment method by teachers. Data is collected annually through a national online reporting system. This feedback can be anonymous and helps the College to identify program strengths and weakness for continuous improvement.
**Expectations**

By choosing VET subjects students will be provided with opportunities to achieve the following outcomes:

- Receive training in areas that have national recognised and valued outcomes.
- Be involved in learning which is relevant to students and students' aspirations.
- Enhance career and employment opportunities by maximising post-College further education, training and employment.
- Prepare students for the world of work.
- Have VET Units of Competency results recorded on students Queensland Certificate of Education (QCE).
- Receive an industry specific vocational Certificate or Statement of Attainment.
- Gain skills to contribute to student’s future skills base.
- Gain credit points towards students QCE (See table as appendix).
- Students who complete qualifications at a Certificate III level receive a selection rank of 68 (OP equivalent 16) and Certificate IV qualifications obtain a rank of 78 (OP equivalent 14). **N.B. This does not apply to students graduating from 2020 onward due to the introduction of ATAR.**

**The College:**

- Recognises the importance of students receiving a broad-based education, comprising both general and vocational education and training.
- Is registered with the Queensland Curriculum and Assessment Authority (QCAA) to provide the vocational education components of the Training Packages.
- Has access to the facilities and resources required for the registered vocational education and training programs.
- Has in place an assignment/assessment policy that applies to all subjects offered at the College.
- Has a process in place that enables students to apply for Recognition of Prior Learning (RPL) for the vocational education competencies.
- Has a process for addressing any concerns a student may have and offers the students access to a range of people who can provide advice and guidance about the vocational education program.
- Will follow all human resource policies and regulations which may mean changes in modes of delivery and or cancellation of courses if the particular Qualifications are not held by staff due to staff changes and transfers. All efforts will be taken to ensure course completion in line with the relevant Standards for Registered Training Organisations 2015 policy.

**The Student:**

- Makes a serious commitment to studies at College.
- Attempts to complete all units of competency on the first attempt and agrees to revisit competencies if not competent after the first attempt.
- Participates in structured workplace learning as arranged by the College.
- Meets the expectations and demands of the College in terms of participation, cooperation, punctuality, successful submission of work and high standards of behaviour and conduct.
- Maintains the high standard and reputation of Chancellor State College when participating in courses conducted at the TAFE Queensland East Coast and other external RTOs.
Enrolment and Admission
Access to VET Certificates is open to all students and subjects will be offered if enrolment numbers are viable and human and physical resources are available.

Fees
Subject charges vary according to individual Certificate requirements – refer to individual course information outlined in this booklet. Where applicable a fee is allocated to each certificate course that has a vocational placement component. If students are travelling to TAFE Queensland East Coast, transport costs will be the responsibility of students and their parents. If a student withdraws from this course before the completion date a pro-rata refund may apply.

N.B. Some Certificate courses are funded by the Queensland Government’s VETiS (VET in Schools) program. As such, students can only enrol in ONE VETiS funded course in Year 11 and 12. Check the Subject Selection and Financial Commitment form for information on which courses attract VETiS funding or ask the HOD of VET.

For further information on VETiS funding visit the follow link:

Student Induction
The following information will be given in students’ first class:
- A study guide indicating units of work, units of competency, assessment requirements, materials and equipment required.
- Course information, including content and vocational outcomes.
- Recognition of Prior Learning (RPL) arrangements.
- Recognition of AQF qualifications and statements of attainment issued by other RTOs.
- Appeals and Complaints Procedures.

Competency-based Assessment
Competency based assessment is a system for assessing a person’s knowledge and skills. Assessment is based on actual skills and knowledge a person can demonstrate in the workplace or in other relevant contexts.

In a competency based assessment system, it is recognised that learning can come from a variety of sources, both on the job and off the job, formal and informal. Recognition is given for prior learning and for skills and knowledge which can already be shown.

Recognition of Prior Learning (RPL)
RPL means getting credit for what students know, no matter where or how they learnt it. If students’ knowledge and skills are of the same standard as required in students’ vocational course students may receive credit for some units of competency. RPL will allow students to do only new work (and not repeat the work in which students are already competent) and have their knowledge and skill level formally recognized.

All learning might count for RPL including knowledge and skills learnt in:
- previous studies
- work experience or industry placement
- a part-time job or unpaid work
- hobbies, activities, clubs, and sports inside or outside the College
RPL can only be granted for the vocational training competencies in the course students are studying. Students can apply for RPL in either an entire training program or in individual elements of competencies. If students decide to take advantage of RPL they must complete the RPL Application Form in detail and attach all relevant evidence. Students may be asked to attend an interview, or to do a practical task, or to provide more information. Students’ class teacher or Academic Coordinators will have access to the RPL application. He/she will look at the evidence students have provided in the application (and perhaps in an interview) to decide on the outcome of their application. If there is insufficient evidence to grant RPL, students may be asked to do a practical test. After the RPL assessment is finished students will be notified of the result in writing. If students disagree with the outcome, students may appeal.

The evidence students gather for their application might include, products and/or records of school work, a personal report, or a referee’s report. A single piece of evidence may be relevant to one or more of the competencies.

Products of students work might include:
- Samples of work students have completed
- Work experience/industry placement records
- Qualifications gained
- Coaching Certificates
- Senior First Aid Certificates
- Magazine or newspaper articles about students
- Prizes, certificates or other forms of commendation

The Personal Report is written by students and is a concise description of activities and functions that students have carried out. It should be related to the training program for which students are seeking RPL. The Personal Report can never stand alone as sufficient evidence of competence.

A Referee’s Report is from other people to support a student’s claim - e.g. co-ordinators, customers, colleagues, or previous employer who witnessed specific activities undertaken. A referee’s report should include:
- A company heading from employment
- The name of the supervisor or coordinator
- Period of employment
- List of competencies developed or tasks undertaken
- Signature and position of the person verifying the claim
- The date

**Credit Transfer and Articulation**
Students will be given credit for national competencies achieved if they continue to TAFE and/or private providers for further study in course.
Enrolment Options

There are **four** options for students wishing to complete a range of certificate courses.

**Option 1**

**Choose a certificate that is offered on the Pathways Selection Form.**

These courses are delivered by qualified teachers at the College **under our Registered Training Organisation (RTO 31830).**

- Certificate I and II in Business
- Certificate II in Engineering Pathways
- Certificate I in Financial Services
- Certificate II in Hospitality
- Certificate I, II and III in Information, Digital Media and Technology
- Certificate II in Manufacturing Technology
- Certificate II and III in Tourism
- Certificate II and III in Visual Arts

**Option 2**

**Choose a certificate that is offered on the Pathways Selection Form.**

These courses are delivered by qualified teachers at the College **under an external RTO.**

- Certificate III in Business
- Diploma in Business
- Certificate III in Dance
- Certificate III in Early Childhood Education and Care
- Certificate III and IV in Fitness
- Certificate III in Sport & Recreation

**Information on these courses is located in Selection Handbook**

**Option 3**

There are many organisations that offer nationally recognised training; TAFE and private registered training organisations to name a few. Many TAFEs including TAFE Queensland East Coast offer programs specifically targeting students in the Senior Phase of Learning.

Enrolment into these programs involves several steps:

1. Development of a SET Plan
2. Attending Information Sessions (where applicable)
3. Submitting an application (Letter of Authorisation and New Student Details form signed by Mr Roberts)
4. Receiving confirmation of a placement into the course

The following links will assist you in identifying suitable TAFE Senior Phase of Learning options for 2018.

**TAFE Queensland Brisbane – Schools Program Guide**  

**TAFE Queensland East Coast – Schools Program Guide**  

**N.B.** When considering an external VET course, there may be significant impact on other subject choices. It is recommended that an interview with the Deputy Principal or HOD Senior School occur before proceeding with this option.
Option 4

Choose a certificate that is offered in conjunction with Sunshine Coast Technical Trade Training Centre (SCTTTTC).

Students attend SCTTTTC at Caloundra one day per week for the one year programs. Please note, these courses attract a tuition fee.

The SCTTTTC offers pathways through a range of trade and technical training areas for students in Years 11 and 12.

N.B. ALL SCTTTTC CERTIFICATE COURSES ARE FUNDED UNDER VETiS (VET in Schools) funding by the Queensland Government. As such, students can only enrol in ONE VETiS funded course in Year 11 and 12.

Structured Workplace Learning: Structured Workplace Learning (SWL) is a valuable part of each students learning at the SCTTTTC. It is mandatory that students engaged in Vocational Education and Training (VET) ie: Certificate courses; undertake 2–6 weeks SWL throughout their program at the SCTTTTC. SWL is used as a tool for students to engage with employers in a meaningful way – with many employers directly recruiting students who have proven themselves as potential employees whilst on an SWL placement.

Students will need to apply directly to SCTTC for entrance into these courses. There are limited numbers to these courses, so it is imperative that an application is completed and submitted by Friday, 15 September 2017. An application form is available at the back of this booklet.

Students will complete the expression of interest in the enrolment package and be notified by mail/email of their acceptance into the course.

___ Cert II Automotive Servicing Technology (AUR20516) – TAFE
___ Cert I Construction (CPC10111) – TAFE
___ Cert II Electrotechnology (Career Start) (UEE22011) – TAFE

CERTIFICATE IV IN FITNESS
Vocational Education & Training  CODE: YFA

THIS COURSE IS BEING DELIVERED IN PARTNERSHIP WITH FITEDUCATION, RTO 32155
UPON COMPLETION OF THIS COURSE, CERTIFICATION WILL BE ISSUED BY FIT EDUCATION

QUALIFICATION: SIS40215 CERTIFICATE IV IN FITNESS

COURSE OVERVIEW
This qualification reflects the role of personal trainers who have specialist skills to train individual clients, or groups of clients, on a one-on-one or group basis, to improve health-related components of fitness in relatively low risk situations. This may include training of older clients and children. They have a substantial depth of knowledge to plan, conduct and evaluate exercise training; provide leadership and guidance to clients and other staff; and deal with unpredictable situations applying defined guidelines and procedures from the fitness industry and the organisation. They work independently or with limited guidance from others and use discretion to solve non-routine problems, including monitoring and managing business activities to operate efficiently and profitably.

The qualification does not provide the skills and knowledge for an individual to provide advice or exercise instruction to high risk clients, other than to refer the client to an appropriate medical or allied health professional.
This qualification provides a pathway to work in a diversity of fitness industry businesses including fitness centres, gyms, aquatic facilities, community facilities and in open spaces, where risk management (through risk assessment and hazard control processes) does not already exist.

‘SKILLED TRAINING PATHWAYS’

The Sunshine Coast Technical Trade Training Centre (SCTTTC) aims to be the Sunshine Coast's lead training facility for future focused secondary students. It provides vocational qualifications and tertiary pathways, preparing students for the workplace or further education and training.

SCTTTC students are a step ahead – 84% of 2015 Year 12 graduates are employed or engaged in Full Time Employment.

At the SCTTTC students don’t just do a ‘course’ – our training goes beyond basic delivery and training, having students further develop a range of industry focused skills. Teachers are industry professionals who deliver excellent quality training for our students.

Our Partners in Education and Training Pathways:
- Beerwah State High School
- Caloundra State High School
- Kawana Waters State College
- Meridan State College
- TAFE Queensland East Coast
- University of the Sunshine Coast
- Canberra Institute of TAFE
- Careers Australia

SCTTTC offers pathways in a range of trade and technical training areas for students in Years 11 and 12. The programs are designed to provide students with practical training in their chosen field as well as providing valuable employability skills and opportunities to link with industry.

NB: ALL SCTTTC CERTIFICATE COURSES ARE FUNDED UNDER VETiS (Vet in Schools) funding by the Qld Government. As such, students can only enrol in ONE VETiS funded course in Year 11 & 12.

Benefits to Students:

By including a pathway at the Sunshine Coast Technical Trade Training Centre in your Senior Phase program, you will have the opportunity to:
- Be a part of our personal development program supporting students with preparation and entry to the workforce
- Access a wider range of learning options through school
- Gain credit points towards their Queensland Certificate of Education (QCE)
- Participate in articulated programs of study with direct entry to additional fields of study
- Gain real vocational skills and qualifications while completing their QCE
- Gain a competitive edge in the employment market
- Gain credit towards further TAFE and University study
- Learn from qualified industry professionals
- Structured Workplace Learning on-the-job

Structured Workplace Learning:

Structured Workplace Learning (SWL) is a valuable part of each students learning at the SCTTTC. It is mandatory that students engaged in Vocational Education and Training (VET) ie: Certificate courses; undertake 2–5 weeks SWL throughout their program at the SCTTTC. SWL is used as a tool for students to engage with employers in a meaningful way – with many employers directly recruiting students who have proven themselves as potential employees whilst on an SWL placement.
Extension Learning Program:
All students at the SCTTTC undertake a personal development program that is part of their preparation for the workplace. Activities included in this program:

- Development of Personal Skills Portfolio
- Resume & interview preparation
- Introduction to the world of work – guest speakers on topics such as: finding a job, qualities employers are looking for, on the job behaviour, communication in the workplace, WH&S, apprentice information etc.
- SCTTTC Activities e.g. Explore Your Options Days, Site Tours and Excursions if available

Industry Liaison Officer:
The SCTTTC Industry Liaison Officer supports the students through mentoring and preparation for the workplace. The Industry Liaison Officer will work closely with students to support them with locating placements for SWL and in preparation for the workplace, coordinate SATS and engage with employers full time.

EXPRESSION OF INTEREST
Expressions of Interest are now being accepted for SCTTTC proposed courses for 2018.

Students interested in SCTTTC courses for 2018 are asked to complete the Expression of Interest and return to their school coordinator. Once course details are finalised information will be forwarded to all schools and to those who have expressed interest.

“Expression of Interest” forms are available at Subject Selection Night, from the Trade Training Centre (EOI form attached) or the Administration Office. First round applications close Friday, 1 September 2017. Interviews will be conducted in October, 2017.

SCTTTC expectations of students applying:

- Strong and keen interest in industry
- Commitment to meeting Structured Workplace Learning requirements
- Self-motivated and able to work independently
- Able to demonstrate maturity and a positive work ethic

Enrolment to the SCTTTC will be based on:

- Written application
- Face to face interview
- Student results and recommendations from schools – behaviour and effort results on reports will be taken into consideration

Enrolment to the SCTTTC for Year 10 Students will be based on:

- The Trade Training Centre is designed to cater for students in their post compulsory stage of schooling (Year 11/12 or over 16).
- Year 10 students will only be considered after considerable consultation and negotiation with the student, school, parent and TTC and only if the student is at risk of disengaging.
- Entry into the TTC for a year 10 student requires that an individual learning plan be constructed and approved by the Principal.
- Entry into courses for a year 10 student at the TTC is provided only if the above is met and there exists a vacancy that will not be needed for a post compulsory student.

Enrolment to the SCTTTC for Students who are non-Australian Residents:

- VETiS funding will not be provided for any student that does not hold Australian Residency.
- Interested non-Australian Resident Citizens will need to explore full fee for service costs.
