Step 1. PATHWAYS SELECTION FORM

Students must:
1. Select Subjects from Page 2. All students must select either Mathematics or English from Lines 2 and 6 (one in each Line) and MYJ in Line 7. Although only two (2) preferred subjects will be allocated, in the event that any of your first two (2) preferences are unavailable, select four (4) subjects across Lines 1, 3, 4 or 5, numbering the selections in order of preference 1 (most desired) to 4. Then, based on your first two (2) preferences, both Science and Humanities must then be selected in the remaining two (2) lines. Please refer to the Subject Handbook which is located on the College Website, to make your selections.
2. Based on the Subjects selected, an offer will be made to you in Term 4, 2014. This offer together with payment (if applicable) must be returned by the due date allocated to secure a place in that Subject.
3. Return this form to the College Administration Office between Monday, 15 September and Friday, 19 September 2014. Students are allocated Subjects on a first returned – first placed system.

Financial commitments are then required to be made for 2015 (see Step 2 below).
