In recognition of the outstanding community contribution one of Chancellor State College’s past students has made, the inauguration of the Adem Crosby Excellence in Community Spirit Award started in 2013.

In May 2013, Adem Crosby (a previous Ambassador of Chancellor State College) lost his battle with an aggressive form of Leukaemia, but not before making momentous contributions to his community and state. This was formally recognised via two public awards in 2013 – The Sunshine Coast Young Citizen of the Year Award and The Queensland Young Philanthropist of the Year Award for 2013.
