

COLLEGE STUDENT DRESS CODE

The Chancellor State College Parents and Citizens' Association on behalf of the College community and the Executive Team of the College, have jointly determined that our College is a Full uniform College.

Our College community believes that our uniform is important in that it encourages a sense of self-esteem, pride in our College and self-discipline in students. Our College uniform is designed to create a sense of unity and respect in our College and with unity comes strength and a real sense of purpose. The wearing of the College uniform also contributes to student safety because it ensures that outsiders to our College community are readily identifiable.

All students are expected to observe the details of College Uniform while on their way to, during and from College. If a situation occurs that a student does not have a uniform, or part thereof, on any school day, a note needs to be sent from a parent/guardian. The student is then able to acquire a Uniform Exemption Pass, or a loan uniform from our supply pool to be returned after laundering.

Primary School

Chancellor State College is a sun safe school and a College Bucket Hat is to be worn while outside.

Dress Standards for all Primary, Junior and Senior Secondary students

Inappropriate dress must not be worn to College at any time. Inappropriate is defined as clothing or apparel that is, or could be deemed to be:

- offensive due to being revealing or containing inappropriate logo/wording
- likely to disrupt or negatively influence the normal operation of the College
- unsafe for students and others
- likely to result in risk to the health of the students or others
- unacceptable writing or skin marking including temporary tattoos

General Appearance

Hairstyles must be neat, clean, tidy and of natural tone. Hair sculpting, patterning and rat's tails fall outside of the College dress code and are not permitted. All hair ornamentations should be kept to a minimum and may include scrunchies, ribbons and elastic bands and these should be in College colours of navy, jade, white and gold. All students with long hair (below the collar) are required to tie hair back when directed by staff in practical areas such as Science, Food Technology and ITD whilst at the College due to health reasons.

Makeup must be of a natural appearance, students will be asked to remove makeup if their appearance does not reflect a natural look. Parents will be contacted and students may be removed from class until compliance is achieved.

Coloured nail polish is not to be worn at College. Students will be asked to remove it if worn to College. False nails/ridge fillers must be of natural length and colour. If students do not adhere to false nails/ridge fillers reflecting a natural look, they will be required to cover them with medical grade adhesive tape.

In order to comply with Workplace Health and Safety Guidelines and to maintain high standards of appearance, all other visible body piercing and tattoos are not permitted (no studs, rings or bars are to be worn other than those deemed acceptable and outlined below).

Jewellery

Students may wear a watch, two pierced holes per earlobe with either simple stud earrings or small sleeper earrings. All other jewellery is considered a potential danger to the well-being of students. Exceptions are made for certified medical bracelets or necklaces which are exempt from this policy. Students wishing to wear religious symbols require a letter of request from a parent/guardian to the Principal. Religious symbols/necklaces should be pinned inside of the shirt/blouse for safety reasons.

All other facial piercings/jewellery MUST be removed whilst students are at the College or representing the College. 'Fleshies' are a workplace health and safety risk and therefore open rings are not to be worn to College. These openings MUST be filled with a clear plug (8mm maximum diameter). During physical activity (Sport, HPE, Drama, Dance etc) these openings must be taped by students.

Students with piercings/jewellery that do not comply with the provisions of this policy will be required to comply with the established College standard. In instances of non-compliance, parents will be contacted and students may be removed from class until agreement is reached.

Workplace Health and Safety concerns may require that jewellery that complies with this Policy may need to be removed in certain situations.

Uniform Free Days

On specified days, students may be permitted to wear free dress as part of a fundraising effort for charities. At these times, students need to wear appropriately modest clothing (see *Dress Standards For All Students* above) and inappropriate clothing must not be worn. The usual safety regulations regarding the wearing of closed in shoes and approved jewellery also apply on free dress days. In instances of non-compliance, parents will be contacted and students may be removed from the activity until compliance is achieved.

Disclaimer: The policies and procedures of Chancellor State College may be subject to change throughout the school year. Any changes will be notified to parents and carers through the College Newsletter and updated on the College Website. Students will be advised through email and student assemblies.
